

Air & Rail

Making a booking with our **new** user interface

Start by using
a device of
your choice:
for example
a **laptop**...

or a **mobile**...
... you can
now **book**
your flights
and rail on
mobile too!

Then check for flights

- Every flight detail is clearly laid out for easy comparison
- Alternative flight combinations are more visible
- You can sort and filter however you like, for example by departure time

...to help you make better decisions!

The screenshot shows the cytric flight search interface for a round trip from Munich to New York. The search results are sorted by 'Earliest departure first'. The interface includes a search bar, flight details, and a sorting dropdown menu.

Round trip **Munich** ⇄ **New York**
